**For the Year Ended December 31, 2015**

**Note 1 Nature of Operations and Summary of Significant Accounting Policies**

**(A) Nature of Operations**

Welcome Life Securities, LLC (“WLS”, “Company” or “Firm”), a subsidiary of Welcome Life Financial Group, was incorporated in the state of Florida in March 2006 and is a broker-dealer registered with the Securities and Exchange Commission (“SEC”). WLS is the first broker-dealer firm to exclusively serve the financial community as a variable life insurance settlement broker and provides a fully compliant, turn-key platform for firms and their clients. Welcome Life Securities specializes in products and services exclusively in the secondary market for life insurance, providing broker-dealers and their registered representatives and senior clients with the experience, knowledge and education required to reach fully-informed life settlement decisions.

Welcome Life Securities connects senior clients with institutional funds by navigating the complex secondary market, combining personalized negotiations with a proven auction based platform. The firm ensures the life settlement transaction meets demanding industry regulations and requirements in the rapidly growing life settlement industry, including:

- Suitability
- Compliance
- Due Diligence
- Best Execution
- Training and Education
- Transparency & Proper Disclosures
- Principal Supervision

WLS also serves in the capacity of a private placement broker. In this role, the Firm has the responsibility for the marketing of the issuer to independent broker-dealer firms and representatives, institutional and high net worth retail investors. The Firm acts in an Agent capacity during the offering and does not distribute the securities. Such involvement typically is sales oriented which encompasses contacting selling group members on behalf of the companies in order to identify broker’s interest in the offering.

**(B) Basis of Presentation**

The accompanying financial statements have been prepared pursuant to Rule 17a-5 of the Securities and Exchange Commission Act of 1934. The classification and reporting of items appearing on the financial statements are consistent with that rule.

**(C) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Welcome Life Securities, LLC**  
**Notes to Financial Statements**  
**For the Year Ended December 31, 2015**

**(D) Cash and Cash Equivalents**

For purposes of the statement cash flows, WLS considers all highly liquid investments with maturities of three months or less at the time of purchase to be cash equivalents.

**(E) Concentrations**

Concentration of Credit Risk

WLS maintains its cash in bank deposit accounts. There were no bank deposits in excess of federally insured limits at December 31, 2015. WLS has not experienced any losses in such accounts through December 31, 2015.

Concentration of Vendors and Revenue

In 2015, four "Providers" each represented over 10% of WLS settlement revenue and accounted for 46.8%, 22.6%, 12.5%, 10.4% of WLS settlement revenue.

**(F) Computer Software and Equipment**

Computer Software and Equipment is stated at cost, less accumulated depreciation. Expenditures for repairs and maintenance is charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which is three years for computer equipment and software.

**(G) Long-Lived Assets**

WLS reviews long-lived assets and certain identifiable assets related to those assets for impairment recognition whenever circumstances and situations change such that there is an indication that the carrying amounts may not be recoverable. If the undiscounted future cash flows is less than the carrying amount, the carrying amount is reduced to fair value and an impairment loss is recognized.

**(H) Revenue Recognition and Commissions Receivable**

WLS recognizes revenue when there is persuasive evidence of an arrangement, the service has been completed, the sales price is fixed or determinable, and collectability is reasonably assured. Specifically, WLS recognizes revenues when earned, which occurs after expiration of the rescission date discussed below. Specifically, when the policy transfer is completed between an individual and the life settlement provider (the closing date), the provider's escrow company forwards to WLS commission for services rendered. At this point, the individual seller of the policy has either 15 or 30 days (depending on the State) to rescind the transaction. During a rescission period, WLS will record any commissions received as deferred revenues. If a rescission period has expired and a commission has not yet been received, a revenue and related commission receivable will be recognized.

As it relates to revenue earned related to services performed as a private placement broker, the Firm is compensated for its role with success fees which are generally calculated as a percentage of the total offering once the offerings close. Such fees are recognized upon final

**Welcome Life Securities, LLC**

**For the Year Ended December 31, 2015**

closing of the offering. An allowance for doubtful account will be recorded based on our assessment of collectability.

**(I) Advertising**

In accordance with ASC 720-35, costs incurred for producing and communicating advertising of WLS, are charged to operations as incurred. WLS incurred advertising expense the year ended December 31, 2015 of \$0.

**(J) Income Taxes**

WLS has elected under the Internal Revenue Code to be taxed as a Limited Liability Corporation ("LLC"). In lieu of Corporation income taxes, members of a "LLC" Corporation are taxed on their proportionate share of WLS's taxable income. Therefore, no provision or liability for federal or state income taxes has been included in the accompanying financial statements.

The Company evaluates each tax position taken on its tax returns and recognizes a liability for any tax position deemed less likely than not to be sustained under examination by relevant taxing authorities. Management has evaluated the Company's tax positions and concluded that the Company has taken no uncertain tax positions that require adjustment to or disclosures in the financial statements. As of December 31, 2015, tax years since 2012 remain open for IRS audit. The Company has received no notice of audit from the Internal Revenue Service for any of the open tax years.

**(K) Fair Value of Financial Instruments**

ASC 820 requires disclosures of information about the fair value of certain financial instruments for which it is practicable to estimate that value. For purposes of this disclosure, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation. The carrying amounts of WLS's short-term financial instruments, including accounts payable and accrued expenses approximate fair value due to the relatively short period to maturity for these instruments.

**Note 2 Computer Software and Equipment**

Computer Software and equipment for the years ended is as follows:

	December 31, 2015
Computer Software and Equipment	\$ 8,191
Less accumulated depreciation	(6,154)
<b>Computer Software and Equipment, net</b>	<b>\$ 2,037</b>

Depreciation expense for the year ended December 31, 2015 was \$1,320.

**Welcome Life Securities, LLC**  
**Notes to Financial Statements**  
**For the Year Ended December 31, 2015**

**Note 3 Member's Equity**

The Company entered into an operating agreement with Welcome Life Financial Group, LLC (the "Member") which sets forth the rights, obligations, and duties with respect to WLS. The Member has the right, but is not required, to make capital contributions upon request of WLS. The Member may require WLS to make distributions of cash or property at such times and amounts as it determines, subject to regulatory limitations and approval.

During the year ended December 31, 2015, the Member made capital contributions of \$0 and distributions of \$150,000 to the Member.

**Note 4 Net Capital Requirements**

WLS is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1.

At December 31, 2015, WLS had net capital of \$152,538, which was \$147,538 in excess of its required net capital of \$5,000. WLS's aggregated indebtedness to net capital ratio was 5.4%.

**Note 5 Related Party Transactions**

In December 2014, WLS entered into a Sublease Agreement ("Sublease Agreement") with Welcome Life Financial Group, LLC ("WLFG"), its parent company (see Note 6). The Sublease Agreement is for a period of one year and is renewable in one-year increments. Under the terms of the Sublease Agreement, WLS is provided office space, furniture and computer rental, telecommunications and computer services. The monthly fee under the Sublease Agreement is \$500 per month. The total rent expense to this related party was \$6,000 in 2015.

On November 1, 2007, WLS entered into an Expense Sharing Agreement ("Expense Sharing Agreement") with WLFG. Under the terms of the Expense Sharing Agreement, if requested, WLFG shall provide WLS personnel and support services that are customarily required to the functioning of WLS' business. Amounts are allocated on a monthly basis in accordance with the percentage of time spent by WLFG staff on WLS activities. The Expense Share Agreement is for a period of one year and is renewable in one-year increments. There were no expenses incurred under the Expense Sharing Agreement in 2015.
